A fresh approach to the gourmet mushroom

Discover the possibilities with Mushroom Crumble

Introducing **Mushroom Crumble**, a new and flavorful approach to fresh mushrooms that can bring new possibilities to any kitchen.

This fresh and savory blend of **Crimini**, **Portobello**, **Button** and **Shiitake** mushrooms will save time in the kitchen. No prep is necessary — Mushroom Crumble is ready to be quickly measured and added to the pan or bowl.

Ready to be seasoned, sautéed, or added to any recipe, from appetizers to risottos, omelettes to stir fry. Perfect as a pizza topping, and for “*blending*” with ground meat to create *healthier* burger options.

Our unique processing method ensures an evenly-sized crumble that is low moisture and cooks to a perfect texture.

Mushroom Crumble is packaged with a patented packaging technology that minimizes condensation and preserves the integrity of the mushrooms, extending the product shelf life to 10-12 days.

Perfect for vegan and vegetarian menus and dishes.
